Something interesting happened, right?

I want to ask you before then.

It's not like it doesn't have anything to do with me.

Why are you always asking your nose like my nose that?

He said

I haven't thought that far ahead yet...

This might become my brother-in-law.

She
said
that?

What
did
she
say?

What
did
she
say?

She
said
she
was
there...

...And
she
loves
me...
And
she
wants
to
be
with
me
again.

I
love
Eva.

I don't
want
her
to
leave
anymore.

When you
start things
up with
someone new?

That
wasn't
nothing
to start
about!

It's
not
like
that...

Well...

Anyway,
I thought
you
had
the
right
idea...

But the
moment
I saw
Amara's
face...

I
thought
for the
first time
I would
do that.

I
thought
that
too...

But...

There's nothing new about her.

She's the best girlfriend I could ask for.

She's always told me she loved me.

She's always trusted me no matter what I did.

...

You're so stupid, right?

There's something else to consider.

...

...what am I trying to do for her...?

Everyone

I called

last night.

You
already

about
this...

couldn't
take it
anymore...
she
started
crying...

She tried
to be

she

you?!

Are
you

her
away
like

What?

What?

What?

Why
didn't
you
do
that
earlier?

What?

...

Good
bye...

I always
wanted to
meet you
again.

I hope
you're
happy
now.

But I'm
sure you
are still
happy...

happiness
you've
achieved
at the
expense
of others!

Try to
think things
out with
her!

Don't
make the
same thing

If
you
don't...

can't
be your
friends
anymore

What

I see
the way
you...

comfortable
way...

She
said you clamped
down on
them...

She
asked if I
could
be truly
happy...

...in a
comfortable
way...

I don't
know who
suggested
they travel
up...

...but
are you
really
satisfied
with
this...?

I can

you...*

*As
long as

I want you to stay in school.
